Steamers Bar and Grill

Steamers Bar and Grill is situated at 1 Marine Drive, Wollongong, which holds one of the most stunning views of City Beach and Wollongong lighthouse.

The restaurant was inspired by the history of the precinct; when the colony of the Illawarra was first settled, excess fresh produce grown was transported to what is known today as Belmore Basin, before being loaded onto steamships that sailed to feed the growing population of Sydney. The character of the menu, being fresh, organic, local produce and the nautical styling of the décor are both a nod to this industrial period.

Steamers Bar and Grill delivers a great communal dining experience comparable to no other in Wollongong. From dry-aging and wood smoking their beef in house to the exemplary quality of the produce used through the dishes, Steamers Bar and Grill are raising the bar on taste, authenticity and service.

Our terrace offers unparalleled views of the ocean and Flagstaff Hill- it's the perfect spot to sip a cafe latte and soak in the sunlight. Lunch at Steamers is an invitation to linger and soak in the stunning views overlooking Wollongong lighthouse and City Beach from the terrace. Evenings promise to be a vibrant, bustling and sophisticated affair with tasting plates and share platters presenting a contemporary fusion of fresh, innovative local flavours.

Steamers Bar and Grill is Inspired by world cuisine - our chef is continually utilising his global experience to bring new ideas and food fusions to the table.
