STEAMERS
BAR & GRILL

Wine should only the pure expression of winemaker's savoir – faire, as well as the terroir.
Whether it comes from Margaret River or the Southern highlands, we pick wines that will match the food our chef produces.

Our food menu changes seasonally and therefore our wine list will be constantly evolving, depending on new encounters with some new crazy & passionate winemakers.

Same as for all the fruits and vegetables that come from our Jamberoo farm, we try to put the emphasis on organic and biodynamic wines.

We like to say that, here, at Steamers, to make the wine list; it is all due to a simple equation:

Head Chef + Sommelier + horticulturist = Wine List

Enjoy the Journey!

The Aussie Legend

BELLWETHER
Wines

Chief Winemaker Sue Bell

The winery is based in Coonawarra, in South Australia.
Even if she makes the wines there, she has vineyards in a few different places.
Even if you have not heard of her before, I can guarantee you that every winemaker in this country knows her.
All along the year, either for pruning, harvesting, etc... all the best winemakers of Australia volunteer at her place to gain in knowledge, technic and savoir – faire.
Every wine she makes becomes a masterpiece.
For most, she is just a winemker. To me, she is an artist.
